FAST® & BioBarrier®
MAINTENANCE INSPECTION AGREEMENT
For Bio-Microbics, Inc. Authorized Technician

It is hereby agreed this _____ day of _____ (year) by and between _____ (owner) and Ryan Spiers of Alternative Wastewater Systems (service provider) that in consideration of the payments provided for herein, AWS will provide the services of a factory-trained representative to perform a Preventative Maintenance Inspection of the equipment described herein on the frequency shown below.

Each inspection of the equipment shall be followed by a written report to the Purchaser. The inspection report will describe the operational status of the system. It will also include recommendations for any preventative maintenance deemed necessary by the inspector as well as a list of any replacement parts needed.

This agreement does not assume any responsibilities or obligations which are normally the responsibilities of Purchaser's maintenance department (if applicable) as related to parts or labor and does not extend to cover any costs that may be associated with any recommendations made under this agreement.

AWS can only supply parts or labor after receipt of Purchaser's purchase order. Billings for inspection trips shall be made on a _____ basis.

In no event shall Bio-Microbics, Inc. or AWS be responsible for special or consequential damages, including but not limited to, loss of time, injury to person or property or any other consequential damages or incidental or economic loss due to equipment failure or for any other reason whatsoever.

This agreement shall remain in force for a period of _____ year(s), beginning _____ (year) and ending _____ (year).
